BSA CRESCENT INSTITUTE OF SCIENCE & TECHNOLOGY

B.S. Abdur Rahman Crescent Institute of Science and technology is a leading research university located at the smartest and greenest spot of Chennai near Vandalur. Through our long history of 34 years of excellence, the University has offered access to a wide range of academic opportunities. With 21 departments, grouped under 10 different Schools, 16 Undergraduate programmes, 35 Postgraduate programmes, and Ph.D. (in all the departments), this institution is a rising stalwart in higher education with promising quality, security, and placement. Being an anchor institution in Chennai accredited with grade 'A' by NAAC in the very first cycle, it has attracted many students nationwide. This institution is an intellectual destination that challenges conventional thinking and stimulates passion to redefine learning. With NBA accredited UG and PG programmes and ranked 79 among engineering colleges in India by the National Institutional Ranking Framework (NIRF) in 2018, this institution invokes and instills a sense of inspiration among the students to achieve more and get to the higher benchmarks. Crescent is the fourth in India, to receive an Overall 4 QS Star Rating and 5 QS Star Rating for 4 parameters viz., Teaching; Employability; Facilities and Inclusiveness. The quality management system of the institution confirms to the ISO standards and is certified by the Det Norske Veritas, Netherland.

CENTRE FOR LEADERSHIP

The Crescent Centre for Leadership constantly strive to build the leadership aptitude of individuals. Specific training is imparted to professionals of all streams to hone their transformational skills. The Centre takes all effort to make every event it hosts, a very inspiring and interesting one. The faculty directors, trainers and speakers hosted by the Centre, own a very strong profile and are hard core expertise in their area of specialization.

GLOBAL UNIVERSITY ADMINISTRATOR'S TRAINING

With increasing number of educational institutions, the focus on academic excellence and global connect has become very important. The administrators of institutions should have the capability of visualizing the future and accordingly upgrading the entire gamut of university ambience to a higher level. The teaching-learning system, the management of students and faculty, the deployment of technology in administrative processes, the augmentation of research and development and the global networking are some of the areas which require appropriate leadership skills to administer them. The delegates would be trained in these areas.
