

Report on national level championship program on Robotics for Techtron 2018

TECHTRON 2018
National level Championship @ IIT-Guwahati

Techniche
The annual Techno-Management Festival
IIT Guwahati | 30th Aug- 2nd Sept 2018

National Level Championship program on **ROBOTICS**

Attractions :

- Certificate to each participant on behalf of Techniche, IIT-Guwahati
- Final rounds in the month of September-18
- Participants will be invited for Grand Finale at IIT-Guwahati

Workshop Details :

Venue: B.S. Abdur Rahman Crescent Institute of Science and Technology
Module: Autonomous Robotics
Date: 14-15th March, 2018
Fee: Rs.990/- Per Participant
School Coordinator: Mr. J Martin | 9940036370
School Coordinator: Mr. K.Mahendran | 8608240849
Kits: A kit in a group of 4-5 members

The department of Mechanical Engineering in association with Techniche conducted a national level championship program on Robotics for Techtron 2018 which was held at IIT - Guwahati organized a 2 day workshop on autonomous robot building on 14th and 15th of March 2018. The workshop was inaugurated by Dr. S. Rasool Mohideen, Professor and Dean (School of Mechanical Sciences), Mr. K. Saran Kumar, Assistant Professor of Mechanical Engineering co-ordinated the workshop.

The event was conducted for 2 days, during the first day the participants were given the basic incites of robotics. They were split into groups of 4 and were given components used to build an autonomous robot. The participants were taught step by step on constructing their own robot using the components given to them. on the second day small competition was conducted to all teams. The workshop attracted more than 60 student participants from various departments.
