

30.3.18

Centre for Energy Research studies

Program: Guest Lecture

The guest lecture was organized by “Centre for Energy Research studies and Department of Mechanical Engineering” on 26.3.2018. The guest Dr. Siddharth Suman from I.I.T, Patna has delivered lecture on “Hybrid Nuclear Renewable Integrated Energy system”.

Around 10 faculty members and 100 students from various disciplines (Mechanical, Civil, Electrical & Electronics, polymer and Automobile) were participated and benefitted.

He highlighted about the integrated facilities comprised of nuclear reactors, renewable energy generation and industrial processes for the need of grid flexibility, green house gas emission reductions and optimal use of investment capital.

The Students and staffs interacted with him and the lecture delivered by him was good and useful one.

Dr. A.S. Selvakumar
Director- Centre for Energy research studies
