Report – Live Webinar on
"Career Opportunities in Linux and Open Source Software"
25th Aug 2020

26.08.2020

The School of Computer Information and Mathematical Sciences organized an online Webinar on "Career Opportunities in Linux and Open Source Software" in association with M/s Advantage Pro, Chennai, on 25th Aug 2020 from 3.00 pm to 4.30 pm through Google Meet.

The Resource Person of the webinar is Mr. N. Kathirvel, RHCI, Red Hat Trainer, Advantage Pro, Chennai.

A total of 189 participants including students and faculty members from various Institutions registered for the webinar. Out of them 91 participants attended the webinar.

The webinar provided the participants with broader view on Linux and Open Source Software to help them shape their career, especially for the students after completing their graduation. The resource person also gave a clear picture and demonstrated the use of Open Source Software. Also he discussed about the security of Linux OS compared to the other Operating Systems available in the market.

It was very easy for the participants to understand the necessity of Open Source Software for the current needs. The participants appreciated the resource person and the quality content of the webinar in their feedback.
