SEMINAR ON LEAN SIGMA FOR CAREER EXCELLENCE

- The Department of Mechanical Engineering organized a one-day national seminar on “**LEAN SIGMA FOR CAREER EXCELLENCE**” for the UG and PG students. The event is conducted in MBA seminar hall on 2nd March 2020. **Prof. Dr. Gopal Sivakumar, CEO (Lean Six Sigma) & Principal Consultant (MSME - Government of India)** had conducted the seminar and training. Dr. S. Rasool Mohideen, Dean (SMS), and Dr. H. Siddhi Jailani, Head of the Department have felicitated the speaker. In his lecture, **Dr. Gopal Sivakumar** and **Mr. Prabhakaran** discussed the Quality, overview of lean six sigma, and role of Lean Six Sigma in current Industries.
- Further, he explained how Lean Six Sigma certified students will be able to impress the employers with their project outcomes and can effortlessly convert the internship into a job opportunity.
- He demonstrated with various practical examples how Students will be able to approach industries confidently and can easily secure Industry-Academy Interaction activities such as Industrial visits, In-plant Training, and Internship through lean sigma green belt certification programs conducted by MSME - Government of India.
