Report on Virtual Power Seminar

1. About the programme

The Department of Computer Science and Engineering in association with ICT academy conducted virtual power seminar on “Machine Learning and its techniques “on Apr 9th, 2021 with the resource person Mr. Joel A J – Sr. Software Engineer of RR Donnelley Global BPO which is a leading global provider of multichannel business communications services and marketing solutions.

Ms Sudha of final year CSE-A introduced the speaker to the audience who were conducted Via Google Meet. There were around 80 participants and the virtual seminar was eye opener for the students who wanted to bloom in the field of Machine learning.

2. Course contents / conference themes

The webinar was detailed about:

- Machine learning concepts,
- Evolution and future of machines,

- How machine learning works?
- Machine Learning Types with the real time example

He also shows the live implementation of KNN algorithm.

The entire session was an interactive session and the speakers answered many queries raised by the participants.

The entire programme was co-ordinate with the support of the Dr.Venkatesan Selvam, Dean/SCIMS, faculty and head of the department Dr. E. Syed Mohamed, Professor.

This screenshot shows a Google Meet window titled "ML & its Techniques - SEMINAR". The main video feed displays a man with a beard and mustache, wearing a green t-shirt, with his arms crossed. A "REC" indicator is visible in the top left corner of the video. On the right side, a "People (48)" list is shown, including participants like ELAVEINEE A, GRACE REBECCA CHRI..., HANAAN ALHASAN SE..., HOD CSE, INDERPAAL SINGH RAT..., Joel Joy, and KARTHIK R. The bottom toolbar contains icons for "Raise hand", "Turn on captions", and "Present now". The Windows taskbar at the bottom shows the search bar and various application icons.

This screenshot shows the same Google Meet window, but now a presentation slide is being displayed. The slide features a man in a red shirt. The top of the slide area includes a "REC" indicator, the text "Joel Joy is presenting", and a notification for "SYED ABDUL HAM... and 45 more". The bottom toolbar now includes a "Joel Joy is presenting" button. The Windows taskbar at the bottom shows the search bar and various application icons.

The screenshot shows a web browser window with a SurveyHeart form. The browser's address bar displays the URL: <https://surveyheart.com/form/606ef04e70cef9087419270b#form/0>. The form has a header with the Crescent Institute of Science & Technology logo and the text "Seminar - Machine Learning And Its Techniques - Feedback". Below the header, there are three required text input fields:

1. Full Name
2. Email ID
3. Phone no.

Each field has a "Required" label. At the bottom of the form, a progress indicator shows "Answered 0 of 9". The Windows taskbar is visible at the bottom of the screenshot, showing the search bar and various application icons. The system tray on the right indicates the time as 13:50 on 12-04-2021.
