3rd April, 2021

A webinar was organized by **Centre for Sustainable Development (CSD)** , on **03-04-2021,10 am -12 noon** (Saturday) on the topic entitled " **Research Software Tool-Honest publication" to Research scholars".**

The Speaker is Dr. Syed Mohamed, HOD,CSE Department of B.S. Abdur Rahman Crescent Institute of Science and Technology. He was introduced to the audience by Dr. Harinarayana, Director, Centre for Sustainable Development (CSD). He has welcomed the speaker, who is an expert in Soft computing, Mathematical modelling, Big Data and Data Visualization.

Dr.Syed Mohamed

Dr. Syed Mohamed covered various topics such as introduction to Turnitin, features of Turnitin,different types of subscription available, plagiarism checking and features of Blender. In his talk, he requested all the scholars to be honest during their work, honest usage of data and honest writing reports..Dr. Syed has provided all the details of honest writing and also options available on plagiarism tools focussing on Turnitin software, presently being practised in our Institute.

Additionally, Dr.Syed Mohamed has provided wealth of information to the Research students on the various set procedures being followed by Dean Research office of the Institute.He showed the information through different flow charts which are unique to our Institute.This has made the scholars to understand the content more easily and they may likely to follow the procedure in a systematic manner.
