Event Report

Webinar on Electric and Hybrid Electric Vehicles Powertrain was organized on 17th July 2020 for 1.5 hrs. Academic expert Dr. C.S. Shankar Ram, Professor, Engineering Design, Indian Institute of Technology, Madras delivered a lecture to all the participants.

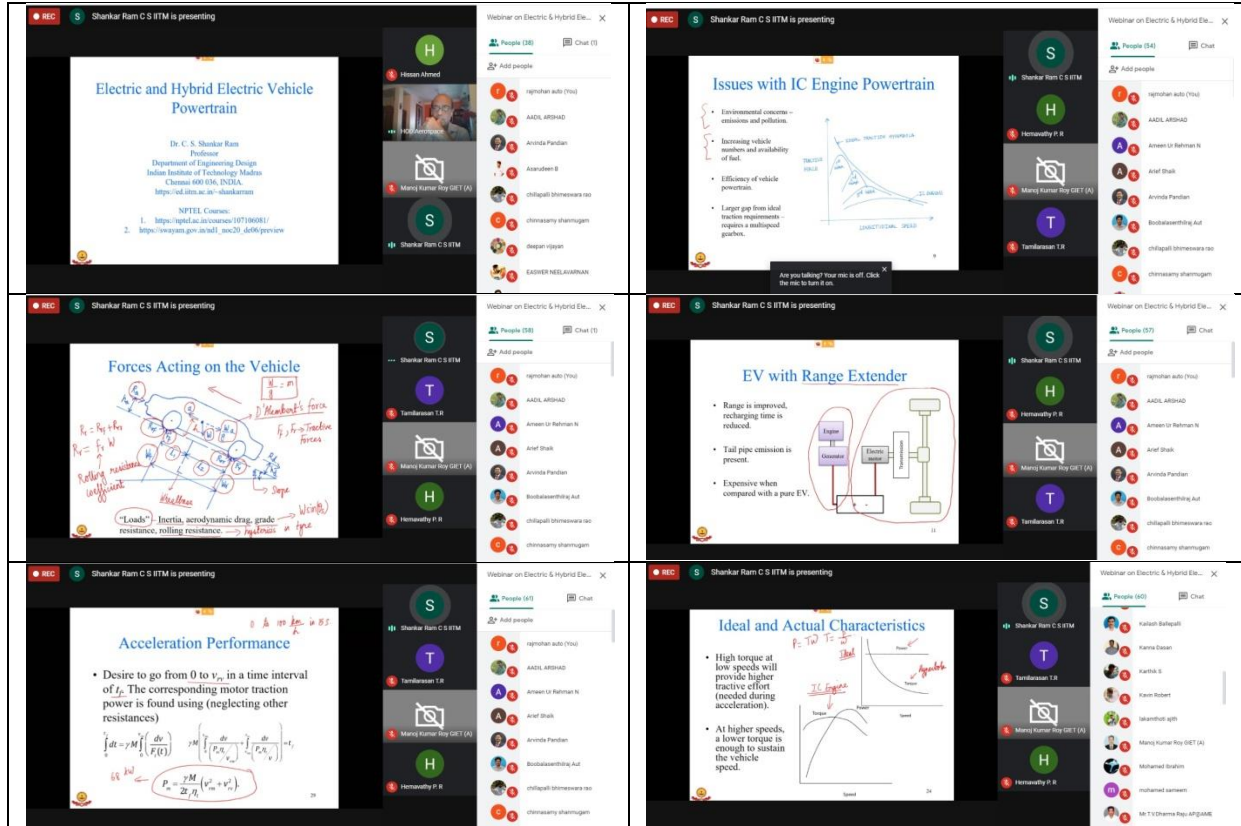

Our Automobile Engineering department conducted this free webinar for the benefit of participants across multiple areas like students, scholars, faculty members and people from industries. There were around 117 participants and e-certificates were provided to all of them.

This event went well and was more interactive as well. It was very beneficial and well received by the participants. Importance & Advancements in the area of Electric and Hybrid Electric Vehicles was also explained in order to create awareness among our participants.

This initiative is being taken in the interest of creating an opportunity for the young generation students to learn/know the current happenings of the Automobile field during this unusual environmental circumstances.

Feedback was taken from all the participants and few references are attached in the annexure. The recorded video clip of the webinar can be accessed using this link: <https://drive.google.com/file/d/1SCgWpdWU1ZAGHwpjY74bJ8X8MdvAwE8z/view>
